

Thank you for your interest in the Weatherization program!

We offer free weatherization services to Vermonters in our service area who meet certain income and other qualifications.

Please complete and sign the attached application and return to us including all supporting documents, i.e. Proof of Ownership, Tax returns, Benefits Statements, etc. Provide the information on the Fuel Records Release as it applies to you; we will collect information from fuel providers directly. Only the top portion of the Income Verification forms should be completed, signed and returned to us. We will ask your employer directly to verify your income. ***If you receive Supplemental Fuel through Vermont's Fuel Assistance Program you do not need to complete the Income Verifications forms. We are able to verify your eligibility directly with the State of Vermont.*** Once your completed application is received we will process it and verify the information you sent. The income verification process may take a while, depending on how quickly your employer(s) and fuel provider(s) get back to us. You will receive a decision in writing usually within 30 days of your application.

If you need assistance with this application, please feel free to contact our office at 802-479-1053. We look forward to working with you.

Sincerely,

Capstone's Weatherization Team
